 2. **N** - Non-Sexual Contact only. Hugs, pats, touching someone's shoulder are okay. No touching below the belt or along the chest.

12. PLUR

- a. Azelian lives by the age-old raver's creed of PLUR. In all things, remember this word and what it means. For those that don't know, we've listed it below:
 - i. **Peace** - Leave behind outside aggression, stress, and judgement. Check your ego at the door, keep the environment calm, always choose harmony over conflict.
 - ii. **Love** - Show unconditional warmth, kindness, and acceptance towards strangers and friends alike. Express your love for others through group hugs, compliments, and sharing positive energy without expecting anything in return.
 - iii. **Unity** - Recognize that everyone in this space shares a collective bond through joy, music, and magic. Events like these break down social barriers, bringing people from all walks of life together as one community.
 - iv. **Respect** - Acknowledge personal boundaries, individual self-expression, and physical safety. Treat others the way you want to be treated, look out for those that need help, and respect the venue, hosts, and artists.

13. Have Fun

- a. Arguably the most important rule of all. This is a space to be free. Free from the stress of the world outside, free to be yourself, free from the shackles of daily life. Be fantastic, be fabulous, be free, be furry, be proud. We love you all!
